

IMPORTANT INFORMATION FOR THE 6th COTUL SCIENTIFIC CONFERENCE IN MWANZA

Dear Participants,

We are delighted to welcome you to the Rock City!

We wish to appreciate you all for the enormous support rendered to us as we strive towards the Consortium of Tanzania University and Research Libraries' (COTUL) vision and mission. It is our honor to invite you to attend the 6th COTUL Scientific Conference themed: Libraries and Information Services in the 4th Industrial Revolution: Current Trends, Opportunities and Challenges to be held from 11th to 15th November, 2024 at Tanzania Medicines and Medical Devices Authority (TMDA) Conference Hall, Mwanza. Here are few tips to learn while you are in Mwanza.

Mwanza region is home to Ukerewe Island, the largest lake island in Africa as well as Saanane Island National Park. The major rivers found in the region are Moame, Isanga, Mironko, Nyarua and Ndemabolia. The region is situated between 1,200 and 1,400 meters above sea level on Lake Victoria's southern shore.

Though the region is home to the second largest population in the country, Mwanza is primarily a business hub. However, the region has tourism infrastructure in place. Each district in the region has recognized unique tourist destinations from cultural landmarks, the Sukuma Cultural Museums to Saanane Island.

Mwanza is well connected by road, rail, water and air transport. There are so many brand new restaurants with good services, delicious food and enjoyable areas. Shopping Malls are also available in the city center.

Conference participants are advised to come with their personal laptops which will be used for the training.
